Instructions for Scale, Proportion, and Quantity - War

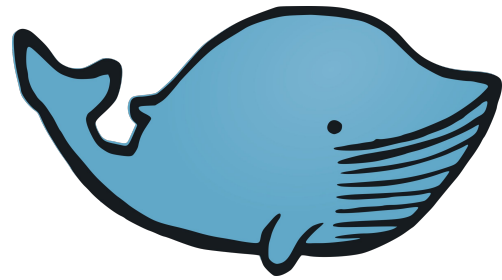

Scale, Proportion, and Quantity - War

1. Deal out half the deck to each player
2. Players will turn over their top card at the same time to reveal their object
3. The object that is greater in “Scale, Proportion, and Quantity” wins the set
4. If both players flip up the same card then a “war” is played out.
 - a. Each player lays an additional card face down and then their next card is played face up. The winner of the second showdown gets all the cards.
5. Play continues until one player holds all the cards
