

Many objects move in many different ways. Some things **slide**. Some things **roll**. Some things **spin**.

Trace how the ice skater **slides**.

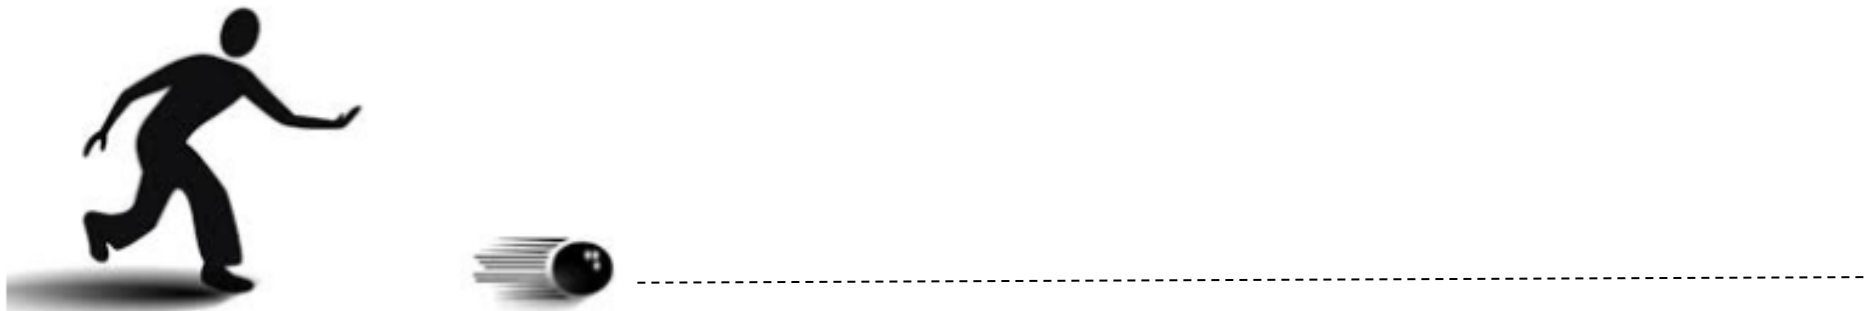

Many objects move in many different ways. Some things **slide**. Some things **roll**. Some things **spin**.

Trace how the dice **roll**.

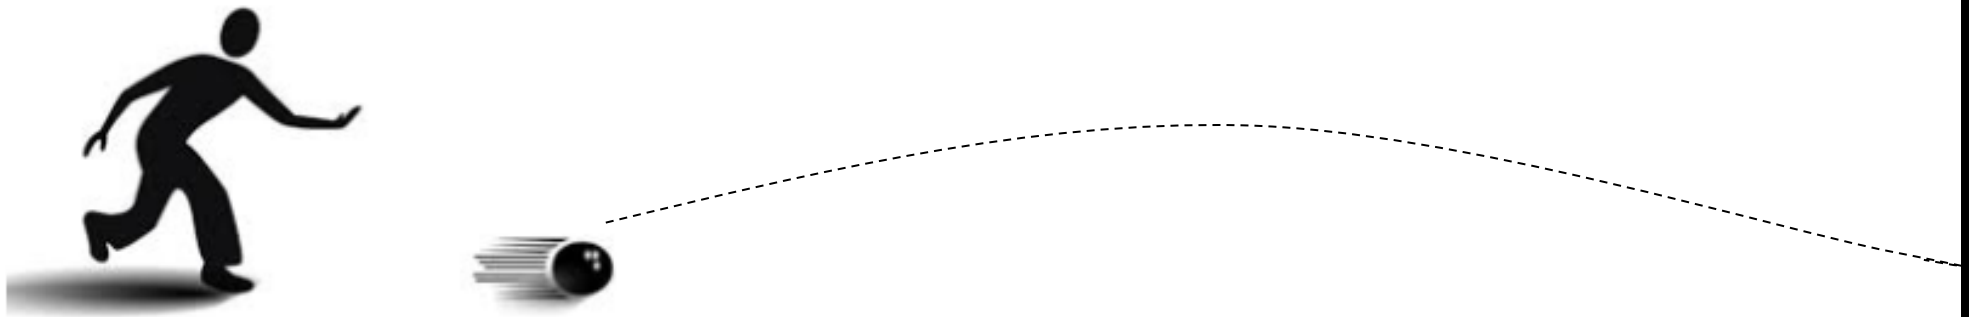

Many objects move in many different ways. Some things **slide**. Some things **roll**. Some things **spin**.

Trace how the bowling ball **rolls**.

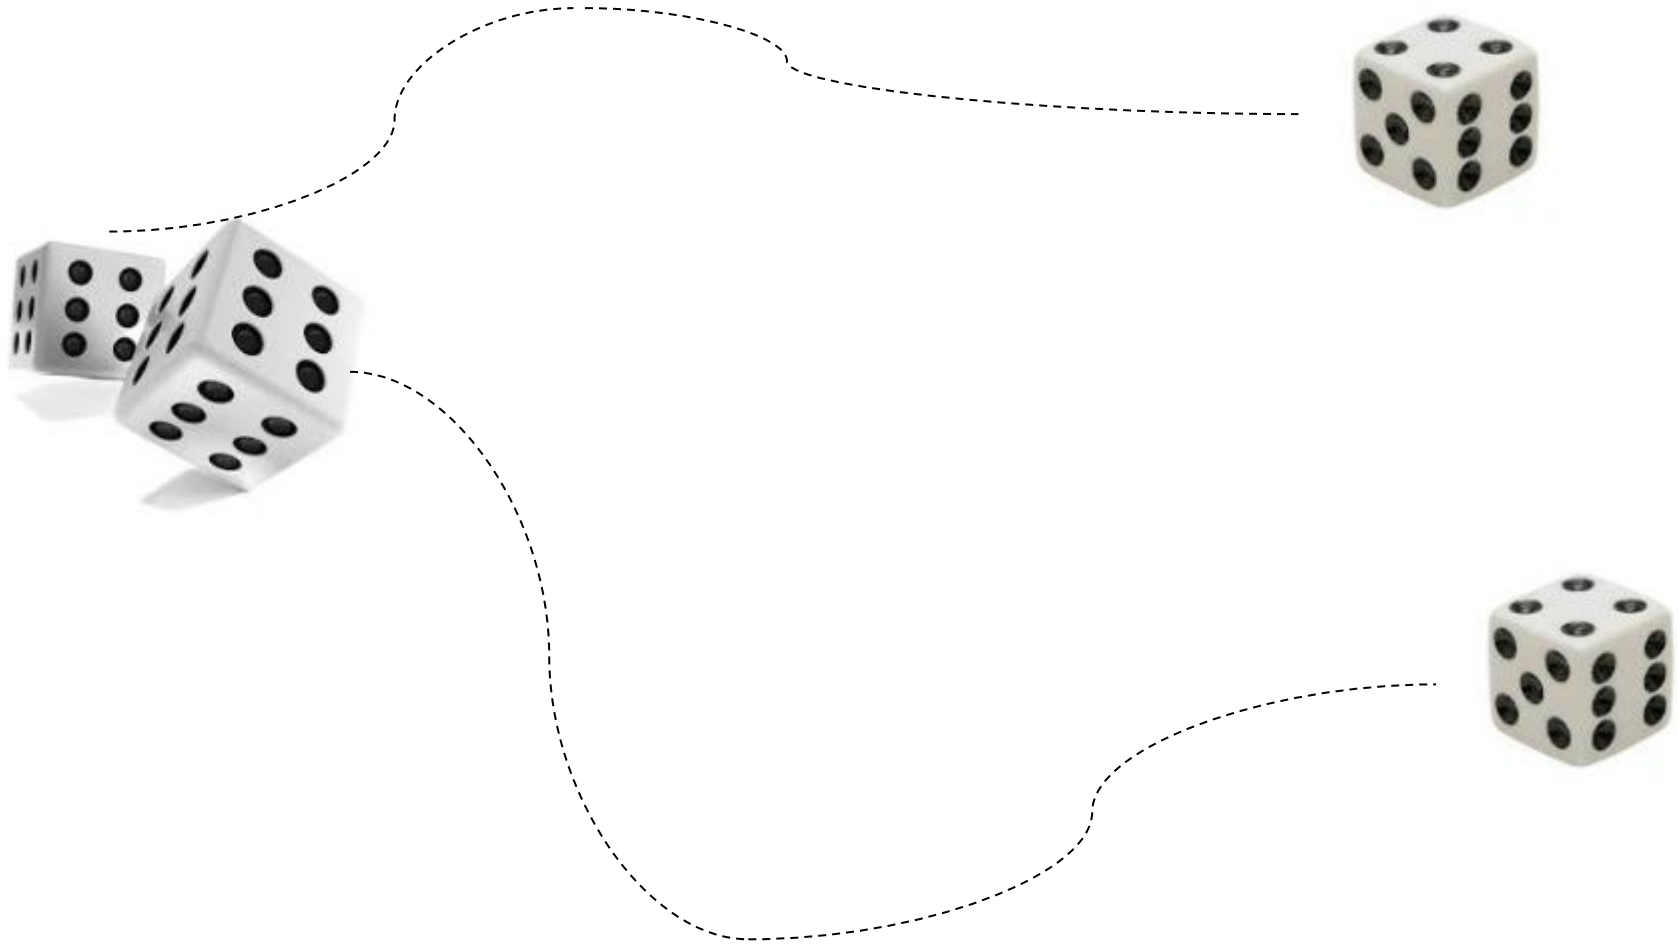

Many objects move in many different ways. Some things **slide**. Some things **roll**. Some things **spin**.

Trace how the bowling ball **rolls**.

Many objects move in many different ways. Some things **slide**. Some things **roll**. Some things **spin**.

Trace how the dice **roll**.

Many objects move in many different ways. Some things **slide**. Some things **roll**. Some things **spin**.

Trace how the spinning top **spins and slides**.

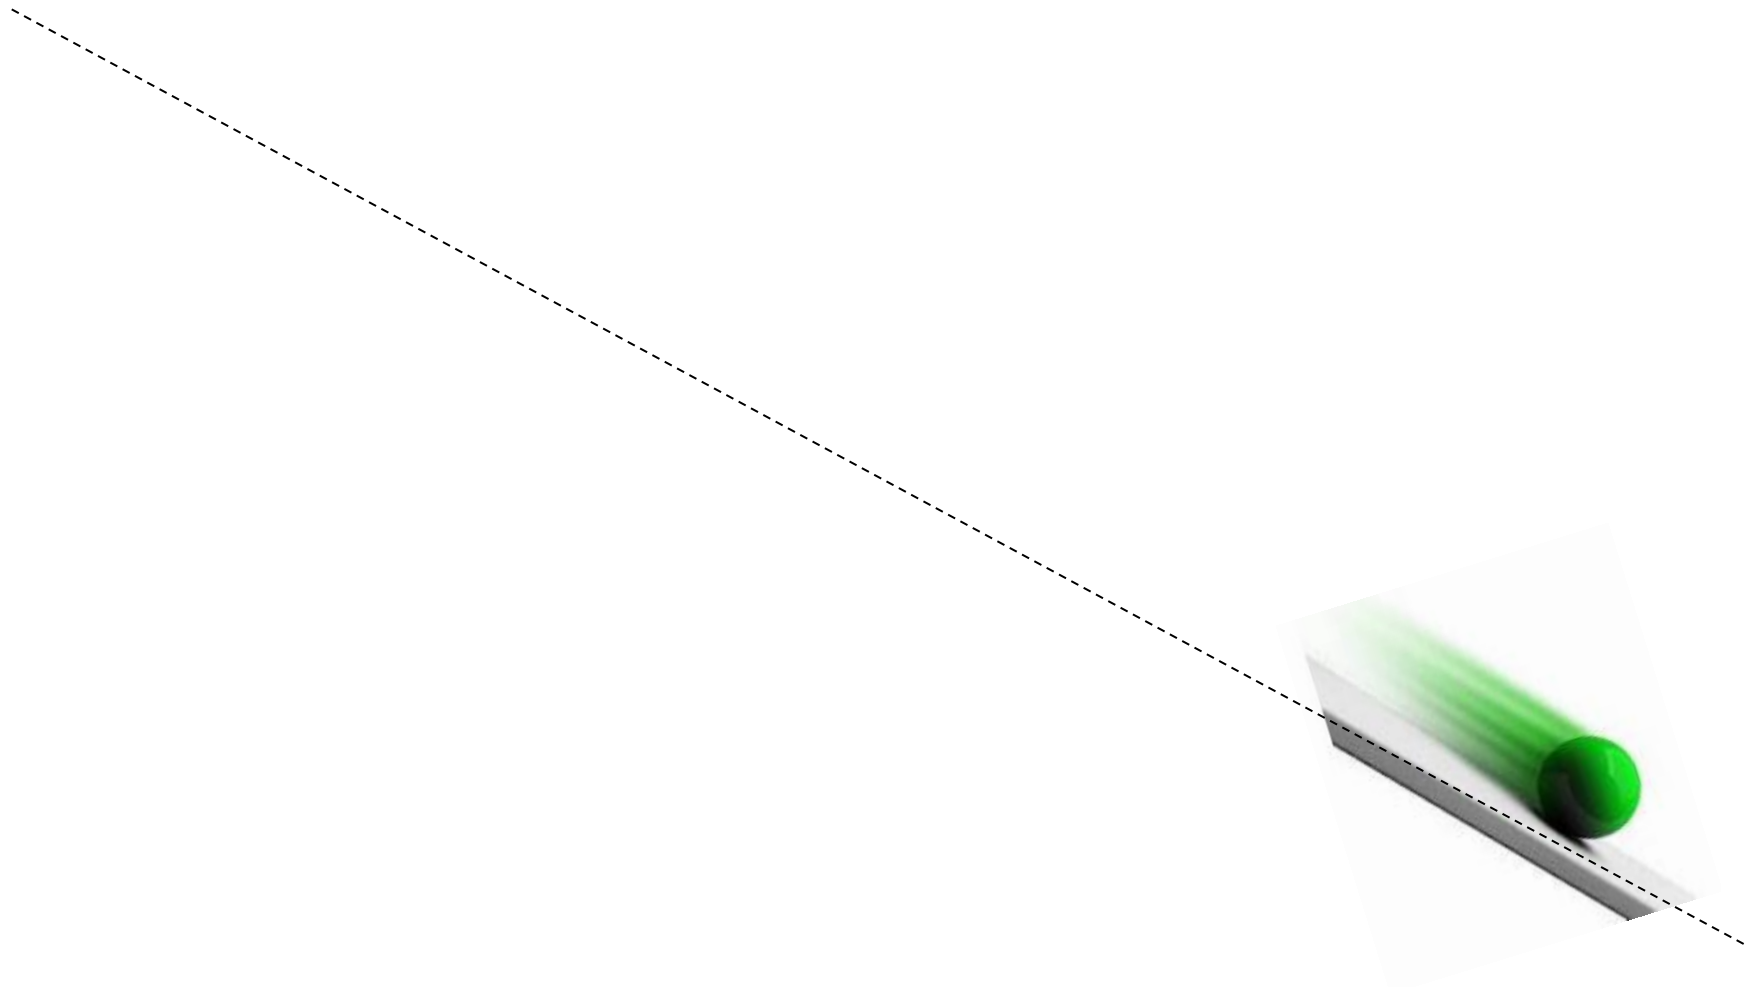

Many objects move in many different ways. Some things **slide**. Some things **roll**. Some things **spin**.

Trace how the sleigh **slides**.

Many objects move in many different ways. Some things **slide**. Some things **roll**. Some things **spin**.

Trace how the ball **rolls**.

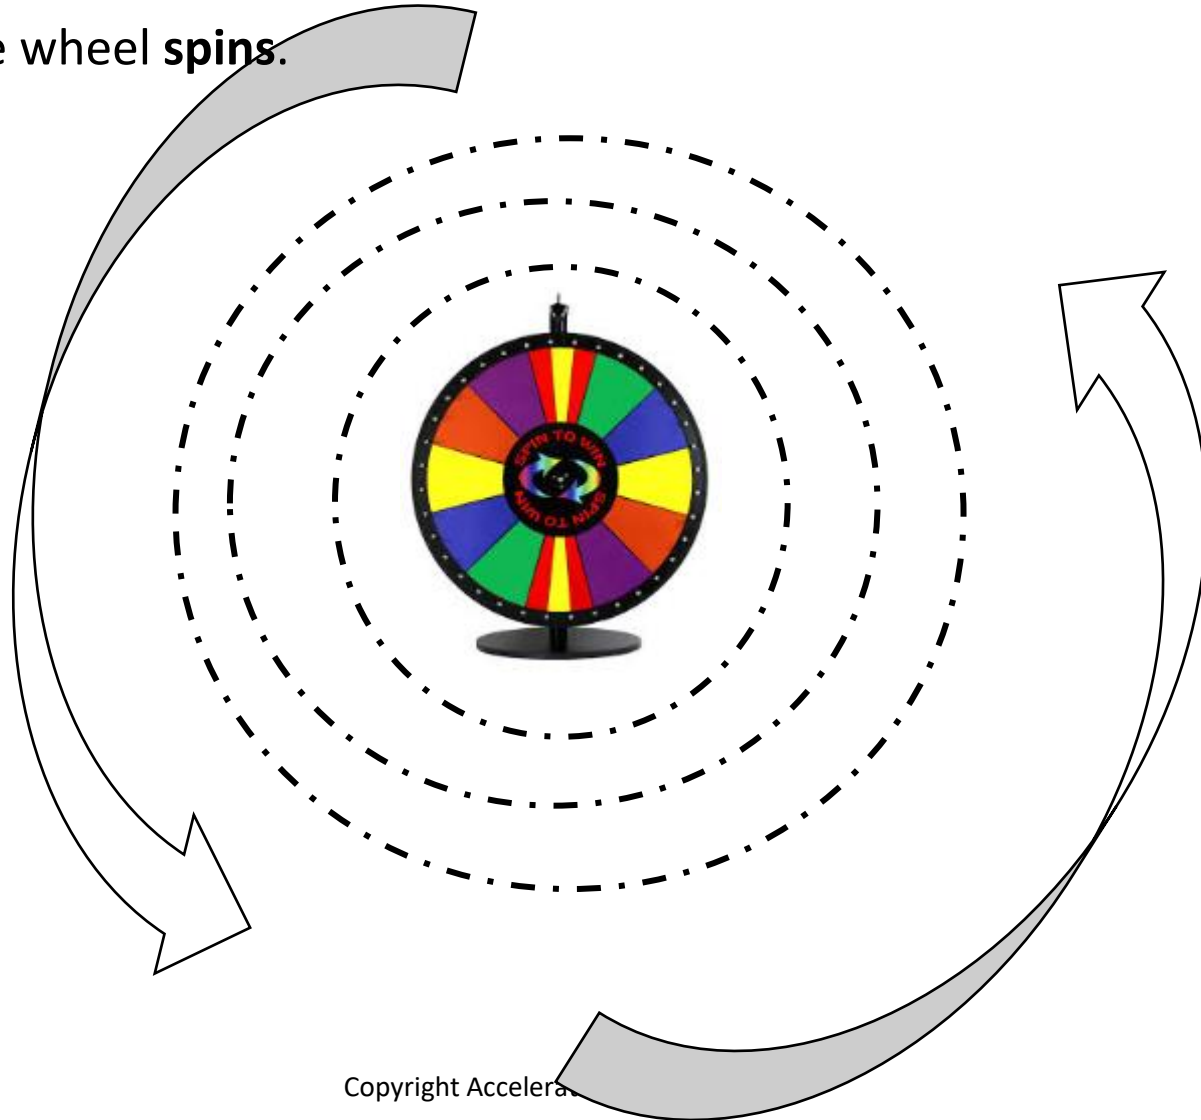

Many objects move in many different ways. Some things **slide**. Some things **roll**. Some things **spin**.

Trace how the pumpkin rolls.

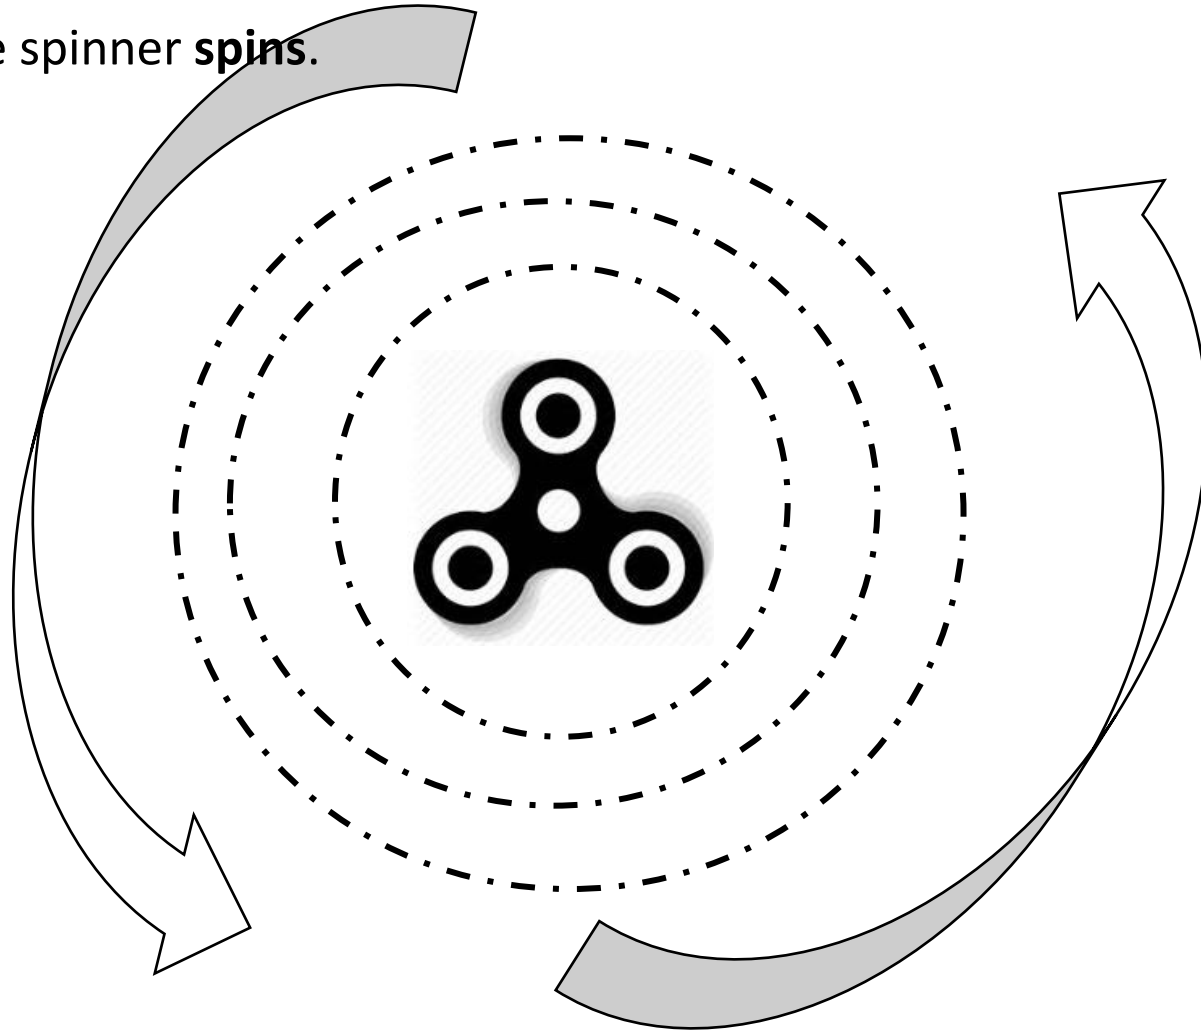

Many objects move in many different ways. Some things **slide**. Some things **roll**. Some things **spin**.

Trace how the wheel **spins**.

Many objects move in many different ways. Some things **slide**. Some things **roll**. Some things **spin**.

Trace how the spinner **spins**.

**Use these
cutouts for
the sorting
activities.**

Ice Skater

Dice

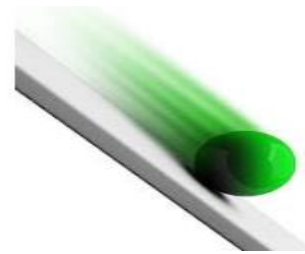

Bowling Ball

Sleigh

Rolling Pumpkin

Ball Rolling

Spinning Top

Spinner

Basketball

Car Wheels

Broom

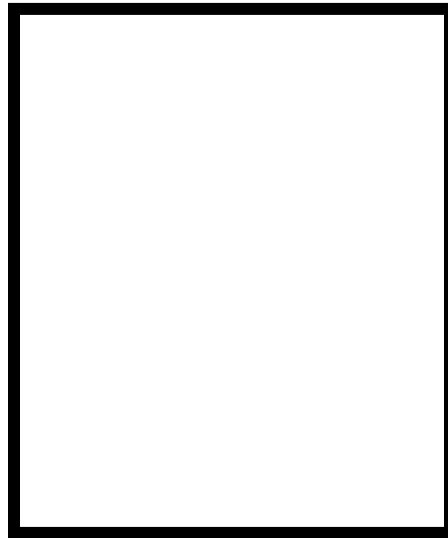

Sort the cards into the three groups.

Slide

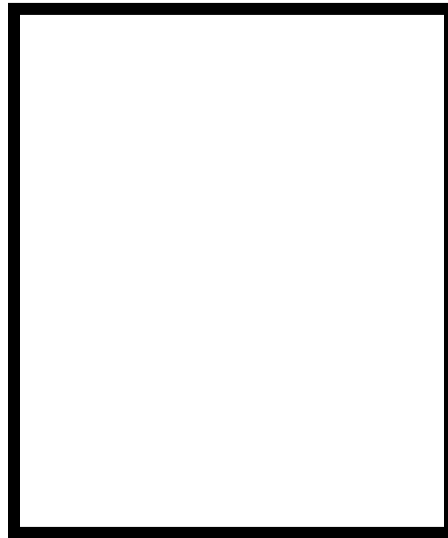

Roll

Spin

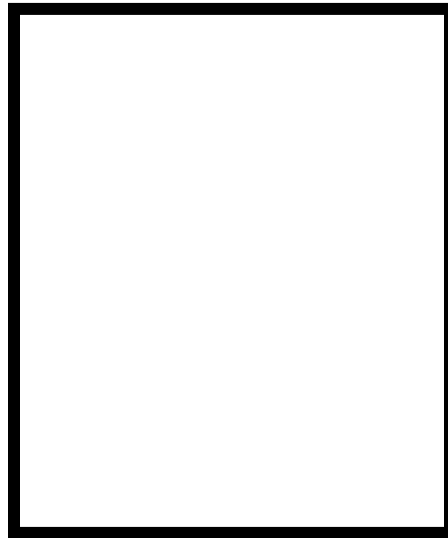

Look at the cutout cards. Find a card that **rolls** and explain why you think it **rolls**.

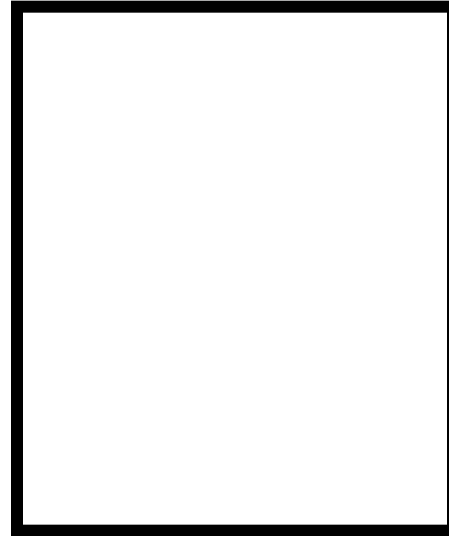

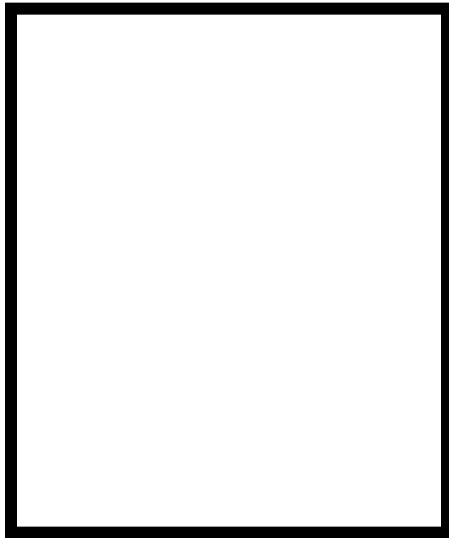

Look at the cutout cards. Find a card that **spins** and explain why you think it **spins**.

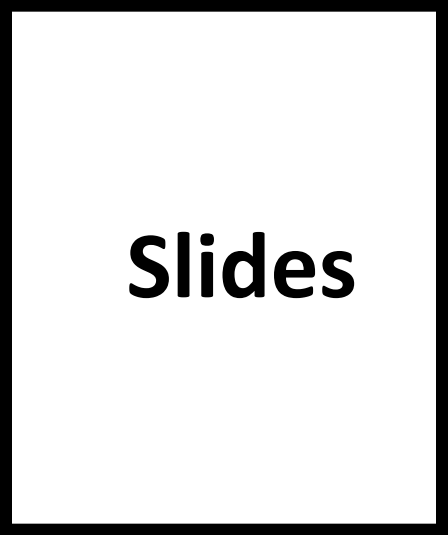

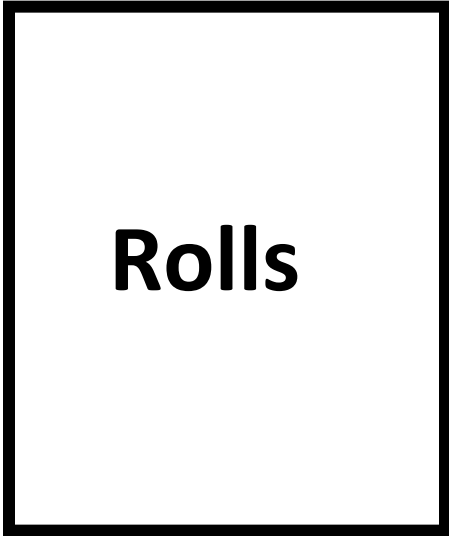

Look at the cutout cards. Find a card that **slides** and explain why you think it **slides**.

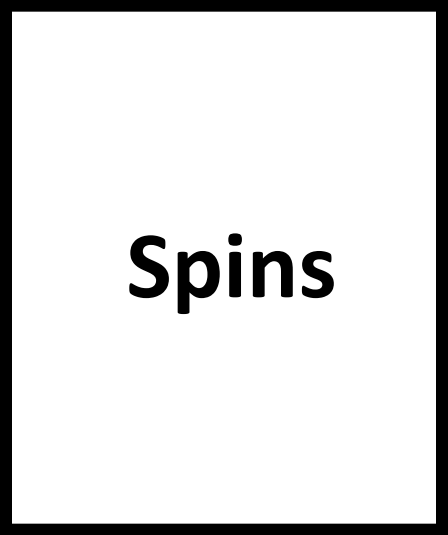

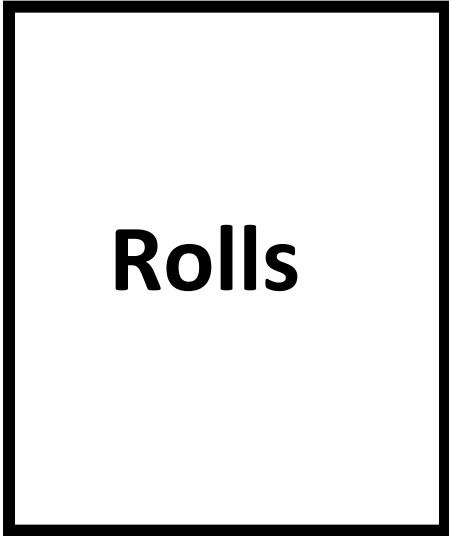

Look at the cutout cards. Compare the movement of two objects.

Look at the cutout cards. Compare the movement of two objects.
